

Temple Sinai Preschool is a warm, welcoming, and creative Jewish preschool where children discover a love of learning through play. Our educators are passionate about helping young learners get the most out of every day at each step of their educational journey. We welcome students as young as 8 weeks all the way through Pre-Kindergarten with half, plus, and full day schedules to fit your family's needs.

Our program, accredited by the Georgia Accrediting Commission and licensed by Bright from the Start, offers small classes, experienced staff, and modern classrooms. Your child will receive a well-rounded, enriching education that promotes curiosity and creative exploration while providing opportunities for personal development, socialization, and seamlessly incorporating Jewish values, traditions, and customs into each day.

Our parent community is very active and engaged, with lots of opportunities for our learners' grown ups to participate in the classroom, special events, and social gatherings.

If you are looking for an exceptional preschool experience for your child and an incredible community of families to grow with, we invite you to enroll and join Team TSPS!

For more information or to schedule a tour, please reach out to the preschool office at 404-255-6200 or [tspsadmissions@templesinaiatlanta.org](mailto:tspsadmissions@templesinaiatlanta.org).

and Learning**  
BRIGHT FROM THE START

## INFANTS

FULL DAY ONLY

First steps are important—especially the first step in your baby's educational journey. In this class, your child will be nurtured by creative and loving teachers who are as invested in your child's development as you are! Our infant room will allow your little one to develop their senses and skills, explore the world around them, and spark curiosity and a life-long love of learning.

## TODDLER (12 - 24 MONTHS)

2,3 OR 5 DAY

The Toddler Program provides an introductory experience to social settings with many options to fit your little one's needs. Our toddler classes are designed to teach curious learners how to safely and enthusiastically engage in a group setting while learning language, motor, and cognitive skills through imaginative play, creative movement, art, and sensory experiences. These young learners will explore their environment while building independent skills and gaining self-confidence.

## TWOS CLASS

2,3 OR 5 DAY

The Twos class enriches a child's curiosity about the world. From problem solving as a group to understanding everyday tasks and objects, this class embraces children's eagerness to discover and learn. Interactive activities, including creative movement, songs, art, dramatic play, and hands-on exploration help children develop a sense of self as well as physical and cognitive readiness skills in playful, fun ways.

## THREES CLASS

3 OR 5 DAY

The Threes class prepares students for more learning by building on critical thinking and social skills while being engaged in activities and discussions that promote pre-reading and pre-writing skills through play with letters and sound. In the Threes, children begin to participate in more group activities and learning that encourage both creative and critical thinking.

## PRE-KINDERGARTEN CLASS

5 DAY

The Pre-Kindergarten class provides children with a strong academic foundation for the next step on their educational journey. This 5 day class inspires students with specific math, language, science, and social studies activities which help children develop the necessary cognitive Kindergarten readiness skills. Students continue to build the love of learning and positive sense of self through play that will carry them throughout their lifetime. Many Pre-K students are eligible for ALEF funding through Georgia GOAL. Contact us for more information!

## WEEKLY SPECIAL PROGRAMS

Our young learners have the opportunity to engage in specials classes each week to enrich their classroom experiences. These enrichment opportunities throughout the week include Hebrew and Judaics, sports, music, and more:

- Learning new songs, playing instruments, and grooving through music class
- Getting into all sorts of messy, sensory fun and exploring nature in the outdoor classroom and along the *teva* (nature) trail and edible garden
- Identifying, naming, and managing big feelings during the ups and downs of preschool in a dedicated social emotional learning class
- Foundational sports skills and gross motor development in a fun, active physical education class and yoga
- Open-ended STEAM inspired play in the Wonder Room
- Exposure to Hebrew language and Judaics in Hebrew Through Movement classes

Each week ends with a joyful, school-wide Shabbat sing-a-long with Temple Sinai clergy -- our favorite part of the week!

## EXTENDED HOURS - A PERFECT FIT FOR YOUR FAMILY

At TSPS we strive to provide flexible schedules that fit each family's needs. Do you need early morning or after school care? Add on early morning (Boker Time) or after school (Kef Club) to your half or plus day registration to drop off as early as 8:00 or extend your child's day to 3:30. In the afternoons, students will rest and recharge, play outside, and participate in art and other small group activities.
