2026 HIGH HOLY DAYS PARKING MAP

We will be utilizing a single designated location for bus pick-up and drop-off. Satellite parking will be available at both the Powers Ferry and The Dupree lots based on the grid below, with the designated bus area located only in the Powers Ferry lot. The two lots are connected, and it is a short walk between them for your convenience.

Departing Temple Sinai

Satellite Lots

Upon departing Temple Sinai, buses will load at the side of the Sinai campus to return to the satellite parking lot. When services end, please follow the signs located throughout the building and on the sidewalks to the bus loading area to return to the satellite parking lots. Please remain on the sidewalk at all times.

E-Parking Passes or Pick Up

Only those with e-parking passes or waiting to be picked up will exit via front doors of the building to await for their car.

All individuals will be required to park in satellite parking lots and take the shuttle to Temple Sinai, unless you qualify for an e-parking pass. Small children can ride on shuttle buses, and strollers can be folded and taken on the bus. Visit templesinaiatlanta.org/highholydays for information on E-Parking Passes. For your safety and to ensure smooth traffic flow, we kindly ask that all attendees refrain from walking to and from Temple Sinai for services. Please utilize the provided shuttle buses for transportation.
